

CERTIFICATE

This is to certify that:

Metropolitan Atlanta Rapid Transit Authority (MARTA)
2424 Piedmont Road, NE Atlanta, GA 30324-3311, USA

operates an Asset Management System, with the scope stated below and expanded on the reverse, that conforms with the requirements of ISO 55001:2014 Asset Management – Management Systems – Requirements:

- › **Planning and delivery of Rail, Bus and Paratransit transportation services in the City of Atlanta and counties of Fulton, Clayton and DeKalb**
- › **Planning and lifecycle management of the vehicle, infrastructure and facilities assets used in delivering the above Rail, Bus and Paratransit transportation services.**

This certificate is valid as shown below as long as the organisation maintains and continually improves its asset management system in conformance with ISO 55001.

Signed:  _____

For and on behalf of WS Atkins International Limited: Dr Navil Shetty, ISO 55001 Certification System Manager

Certificate number: Atkins ISO55001/2019/01

Valid from: 12/03/2019

To: 11/03/2022

This certificate is subject to the provisions on the reverse.

WS Atkins International Limited, Nova North,
11 Bressenden Place, LONDON SW1E 5BY, U.K.

1. The scope of the certified Asset Management System covers the:
 - › Planning and delivery of Rail, Bus and Paratransit transportation services in the City of Atlanta and counties of Fulton, Clayton and DeKalb.
 - › Planning and lifecycle management of the rail cars, buses, paratransit vehicles, non-revenue vehicles, rail infrastructure, vertical transportation, bus depots and facilities assets used in delivering the above Rail, Bus and Paratransit transportation services.
 - › Interfaces with support functions such as Legal, Risk, Finance, HR, IT, Procurement, MARTA Police, etc.
 - › Interfaces with the Safety Management System and the Environmental Management System.
2. The certification is conditional on MARTA providing evidence of completion of the agreed Corrective Action Plan to address minor nonconformities identified during the Stage 2 Audits by June 2019.
3. The certificate does not apply to MARTA's obligations for compliance with applicable legal and regulatory requirements.
4. The scope of certification excludes Atlanta City Street Car System and any future extensions to the MARTA network to adjoining counties.
5. The validity of the certificate until the expiry date is subject to WS Atkins International Limited undertaking surveillance audits annually or at intervals as deemed necessary to confirm the ongoing conformance of the Asset Management System with ISO 55001.
6. MARTA shall keep Atkins informed of all significant changes to its Asset Management System, in particular any changes to the scope, organisation, processes and procedures, and IT systems.
7. MARTA shall keep Atkins informed of any major incidents, non-conformances and investigations; and provide reports of its internal audits and management reviews.
