Welcome to new chair of ISO/TC 211

The secretariat is pleased to find the TMB ballot result electing Agneta Engberg as new Chair for ISO/TC 211. We would like to welcome Agneta in her new role and looking forward to the collaboration.

Agneta comes with a lot of geographical knowledge and experience and we feel her to be a great addition to our ISO/TC 211 team.

We ask Agneta if she would like to add a short message in the newsletter.

"I am honored to be a part of ISO/TC 211, and I am looking forward to work with you. As (now former) head of the Swedish national mirror committee, I am glad to already have met some of you at previous ISO-meetings. During my nominee period this recent month, I have tried to increase my understanding of the committee work. As a part of this, I have been invited to a few meetings to discuss some current issues, and I am grateful for the welcoming atmosphere perceived during this introduction.

Hoping to see you in Maribor,

Agneta*

*the easiest pronunciation is to think Agnes, otherwise Ang-neta which is the Swedish way, and anything between this and Anita works fine as well."
