Findings from the New Zealand Geographic Board’s Gazetteer Project

TC211 31st Plenary, 6 – 10 December 2010, Canberra
Open Geospatial Information Day, Wednesday 8 December
Stephen Desmond, Information Architect, Land Information New Zealand
Findings from the New Zealand Geographic Board’s Gazetteer Project

1. A short history of New Zealand Place Names
2. The 2008 Act
3. Need for a new Gazetteer
4. Existing standards
5. NZGB Requirements
6. Gap Analysis and Issues
Place names in New Zealand

- Maori place names
- Early European names
- Royal Geographic Society
- Governor General
- Honorary Geographic Board of NZ
- New Zealand Geographic Board
- Topographic Gazetteer
New Zealand Geographic Board Act, 2008

- Extended jurisdiction
- Consultation processes
- Board membership
- Independent Gazetteer
ISC/TC211 19112 in Un ML
Draft Gazetteer PIM in UML
Gaps and Issues

- Name becomes a Class
  - Attributes
  - Code Lists
- More recursive associations
  - Spatial
  - Linguistic
- 19112 v2?
